FISHING AREAS Departure points: Boats must depart from and return to a port within Wakulla, Franklin or Taylor counties.

A boat may only win one place in their division. In the event of a tie, the first fish weighed in will win.

All fish presented for weigh-in must be fresh, in edible condition, and must not have been frozen, and must be caught during tournament fishing hours. Acceptability of fish will be determined by the Tournament Judge. Electric reels are allowed. Deck mounted winch devices ("one-armed bandits") are prohibited. Drone fishing of any kind is prohibited. All fish must be harvested in full compliance with State of Florida regulations, i.e. means of harvesting, size limits, bag limits, and any/all other applicable State of Florida regulations.

Fish being weighed in will be gut checked for any foreign objects, including but not limited to hooks, leaders, ice and bait; documented with the official weight and boat name and returned to the angler.

Lie Detector (polygraph) tests will be administered to randomly selected anglers at the tournament board's discretion. Individuals selected for the polygraph test must pass all portions of the test to be eligible to receive any prize. Failure to do so for any reason will result in immediate disqualification.

Rule violations, the eligibility of entrants or entered fish, disqualifications, and any other matters not specifically covered by these rules will be decided by the Tournament Judge in consultation with the Tournament Chairman. The Tournament Judge may disqualify any person who commits any violation of tournament rules. Decisions of the Tournament Judge are final and non-negotiable for all entrants.

Protests of any nature must be submitted to the Tournament Chairman in writing at the time the fish is being weighed. No protests will be accepted once a fish has been weighed and left the stage.
